Upon this mountain, we pray that you truly hear the voice of God speaking to you to encourage, empower, heal and comfort you. He has always been there standing and knocking at the door of your heart waiting to come in, so this weekend let Him come in to stay. May God be with you as you worship, praise, pray, learn and listen to the voice of God ask you, when it is all said and done, "Can U Hear Me Now?"

Floyd Mayberry The Living Way Ministry

Floyd Mayberry is a Medical Missionary Evangelist from Los Angeles, Ca. He was introduced to this message during a crusade in 1997 where many souls were called but few answered. It was not long before the Lord made known his calling for Bro. Floyd and he was sponsored to attend medical missionary training at Centurion Ministries by Mammon Wilson in Tennessee. Floyd began to pick up the information and learn very quickly. It was not long before everyone including Floyd knew that God had gifted him in this area. He was soon traveling the world spreading the gospel with the gift that God has given him. Today Floyd Mayberry is one of the most sought after Medical Evangelist in the states. He beautifully brings the health message from the word of God in an eye opening and convicting way. He has traveled all over the United States and abroad London, The Virgin Islands, Hawaii, and Bermuda to name a few. He is currently planning to open a life style center in Bunker Missouri where he will teach others the work as well as teach many a better way of living through Jesus Christ. thelivingwayministry.org

Scott Mayer

Little Light Studios Ministries

Scott Mayer was raised an Adventist in Paradise, California. He attended film school in college with high hopes of fulfilling his dream of working in the film and television business. Shortly after leaving college he packed his bags and headed to tinsel town where he quickly found a job working as a camera man in television. It didn't take long before the lures of the Hollywood lifestyle led Scott completely away from anything to do with God. He lived his life in the fast lane until God sent him the right people at the right time to call him away from his destructive path. As a result of being asked to speak at a youth rally about his experience in Hollywood... "Battlefield Hollywood" was born, a presentation which takes an in depth look into the effects Hollywood has on your mind and how the devil is using the entertainment business to deceive many. He is now an Executive Producer at Little Light, which means he's in charge and he pretty much can do anything from directing to writing and editing. He's also one of our public speakers when we're asked to preach somewhere. Scott is married with two children.

He's Able

He's able, He's able, I know He's able, I know my Lord is able to carry me through. (Repeat) He healed the broken - hearted, and set the captives free, He made the lame to walk again and caused the blind to see He's able, He's able, I know He's able, I know my Lord is able to carry me through.

To God Be the Glory

To God be the glory great things He hath done; So loved He the world that He gave us His Son, Who yielded His life an atonement for sin, And opened the life gate that all may go in.

Praise the Lord, praise the Lord, Let the earth hear His voice; Praise the Lord, praise the Lord, Let the people rejoice; O come to the Father, through Jesus the Son, And give Him the glory great things He hath done. (Ephesians 3:20)
